QUOTE

"I want quality products at the best price, with easy returns and fast delivery."

BACKGROUND & LIFESTYLE

Tamilchelvan is an undergraduate student who shops online for clothing, electronics, accessories and everyday essentials. He browses shopping apps between classes and in the evenings, comparing prices before purchasing. Convenience and trustworthy product information matter to him.

GOALS & MOTIVATIONS

- Find quality products at affordable prices.
- Compare products, ratings, photos and reviews.
- Use discounts, coupons and student-friendly offers.
- Track orders and receive accurate delivery updates.
- Enjoy easy payments, returns and refunds.

CHALLENGES & PAIN POINTS

- Unclear sizing and product descriptions.
- Fake reviews or products that differ from photos.
- Unexpected delivery fees at checkout.
- Delayed deliveries and confusing return policies.

BEHAVIOR PATTERNS

- Uses his smartphone to browse shopping apps daily.
- Compares prices across brands before buying.
- Checks ratings, reviews and product images.
- Often shops during sales and festival offers.

PREFERRED DEVICES, PLATFORMS & DESIGN IMPLICATIONS

Preferred platforms: Android apps, mobile websites, UPI and digital wallets

Interests: Fashion • Gadgets • Sneakers • Accessories • Technology

Design implications: Clear product photos, visible total pricing, trustworthy reviews, quick search and filters, simple checkout, delivery tracking and hassle-free returns.

PERSONA INSIGHT | The online shopping experience should help Tamilchelvan discover trusted products, compare value and complete purchases with confidence.
